The Comptroller was written to and his reply (letter No. 5770/165 d. 12-3-02) is herewith submitted. He forwards two letters received from the Accountants Genl. Madras and Bombay on the subject and says that if Mr Pigot received the order of transfer at Bangalore on his way to Coorg, he is not entitled to travelling allce for joining his appointment

The Accountants General say that an officer transferred to ~~Foreign~~ Foreign Service, while on privilege leave, is entitled to travelling allce and that the calculation should be made from the place where he receives the order of transfer or from his old Station to the Station where he takes charge in Foreign Service whichever calculation would entitle him to the less travelling allce and refer to art 1214 ⊗ of the Civil Service Regulations

⊗
Art: 1214
"The t. allce of an officer transferred" "during privilege or Examination leave" "will be calculated from his old" "Station, or from the place where" "he receives the order of transfer," "whichever calculation would" "entitle him to the less travelling" allce".

It is submitted that Mr Pigot was appointed Conservator of Forests in Mysore, under Notn No 3642 dated 29th Novr 1898. Ft. 7 12-98

× Sl No 18 in Ft 7

A copy of this Notn was forwarded to the First Asst to the Hon'ble the Resident in Mysore, on the 29th Novr 1898, for favour of transmission to him. He was on privilege leave for one month from 24th Novr 1898. Thus at the time of transfer it is apparent that he was on privilege leave

In the bill, Mr Pigot claims travelling allce from Mercara. According to the views of the Accountants* (sent) recorded above, the calculation has to be made either from the place where he received the order of transfer or from his old station and he be paid the less amount of travelling allowance

He

The records put up do not show where Mr Pigot received the order of transfer. In case Govt are disposed to sanction the travelling allces in the above circes the place where Mr Pigot recd the order of transfer will have to be ascertained. May this be done?

Mr Pigot was written to and his reply is herewith submitted. He says that at Mercara, he received an official letter through the Commr of Coorg intimating to him of his appointment in the State, at Bangalore upon his arrival from Coorg, he received a copy of the Gazette Notification of his appointment and at Mysore enroute to Bangalore he was informed (by word of mouth) that a notification of his appointment had been issued. He adds that the Civil Service Regulations do not necessarily govern the cases such as his — ie the travelling allowances admissible when journeying to take up an appointment in foreign Service, such allowances being frequently settled along with other conditions before foreign employ is decided upon

and that in his case no such conditions having been settled, the Durbar may consider whether or not the claim for Rs 59 odd is a reasonable and equitable one and settle it.

Sir,

Adverting to orders and correspondence ending with your letter No 8633-Ft.F. 12-98, dated 26th May 1899 to the address of the Secretary, Chief Commissioner, Coorg, I have the honour to prefer the following application for the orders of Government.

2. In connection with the settlement of my allowances during joining time before I entered on the State Service, I stated that I did not ask for travelling expenses (from Mercara, my former head-quarters, to Bangalore) but only for joining time allowances. This statement was based on the supposition that under the Regulations I could not, strictly speaking, claim either travelling expenses or joining time allowances. Latterly however, I have learned in my official capacity that, the travelling allowances of Forest Officer deputed to foreign service from Mysore was defrayed by the foreign employer from the head-quarters station of the officer in the Mysore State to the place of for-eign destination and back again. If one of my officers receiv-

-ed his travelling expenses to and fro, my travelling expenses from Mercara to Bangalore should perhaps be defrayed by Government.

3. I therefore forward for orders the accompanying travelling allowance bill for Rs. 59 - 6 - 8 , a sum which, I may perhaps point out, is much less than the expenses incurred by me in order to join my appointment in the Mysore State.

To
The Secretary to the Government of Bombay
Jud. Dept.

Sir,

I have the honour to acknowledge the receipt of your letter No 19027/Jud. 2544, dated the 9th ult., requesting me to state whether I received the order of my appointment as Commissioner of Police in

by Hoke, and making certain observations

Being at present in London in England, I am advised, fortunately, from referring to official papers at the Colonial Office

But I may safely point out that an order of transfer from Station A. to Station B, is often issued relating to and a whole multitude from the Journal Gazette which publishing for general information the fact of the

~~of~~ appointment of Mahon B
~~was~~ was as at the present
case. I see, while at
Dereara, an official letter
stating that I had been ap-
pointed in certain capacities
to a post under the jurisdic-
diction of Bangalore. This
order of transfer was com
municated to me through the
Commissioner of Coorg. I
believe I received a copy of
the formal gazette notice
of appointment upon my
arrival at Bangalore for

Corey. I can with relief
say that I first learned (by
word of mouth) that such a
Notice has been issued, while I
was at Mysore en route to
Bangalore.

Apart however from
being of the U.S. Embassy the
broad fact is that the
only possible reason for
removing myself, my family,
baggage & camp-equipment,
permanently from Bangalore
to Bangalore was that I
had received several formal
communications, both official

a demi-official informing me that I had been appointed with the sanction of the Govt. of India to a new post of Bangalore, where I should probably be required to take up my duty. The feeling sum of Rs 57-6-8 would of course accompany my home [illegible] expenses of transfer.

In conclusion I would point out that while an Govt. of India Officer actually in [illegible] Service must expect to have such vicissitudes as this regulated by the laws of

I believe
the U.S. Reg.'s the Regulations
do not mention foreign posts that
receive allowances are
domiciled when journeying to
take up an appointment
in foreign service. The allowances
then paid are frequently
settled, with other conditions
upon foreign employees
based upon at all. In my
case I made no arrangement
and I anticipate what
has occurred, I should have
stipulated for my actual

price of transfer - Mr. J
Smith, for the post of Mysore
to consider whether or not
the claim for R & Q and is
reasonable and equitable
one; and if they decide in
the affirmative, to settle it
accordingly.

Yours sincerely
